

## ALUMNI TESTIMONIALS

**Seema Gokul Waware**

**Assistant Professor of Law (Cracked MPSC-2023)**

I really feel very proud to state that I have completed my graduation in law, which is an LL.B. from PDEA's Law College, Kharadi, Pune-411028, which has now shifted to Manjari Road, Hadapsar, Pune-411028. My alumni batch was 2008–2009. The important thing I admire the most is the support from everyone at every step. All my professors as well as the principal really helped me a lot in brightening my future. All the administration of the college is very good, specifically the library of the college, which is very helpful to students. I am really thankful to PDEA's Law College because whatever I am today is just because of this institute.

Thank you.

**Uddhav Shendge**

**HR Ass. Manager**

**ADP, Pune.**

Studying in PDEA'S Law College, Hadapsar was a wonderful experience for me. College will always make sure that all the engagement activities are conducted and equal opportunities of participation are provided to all the students. The best part which I will appreciate is the helping and supportive nature of all the teaching and non-teaching staff of this college. All of them will try to go extra mile to support each and every student as and when needed. I would strongly recommend this college to anyone who wants to study and get a holistic knowledge of law. Once again I sincerely thank you The Principal and entire team of Faculties of this college for the life changing and long lasting memories.

Thank you.

College is one of the parts of education where we dwell together on knowledge. College life is the most beautiful stage in our lives, and I am happy and blessed to have that good time with my PDEA's law college, Hadapsar Journey.

My college life is the most beautiful era of my life, and that was made by my college because of my PDEA's Law College, teaching, and other staff. They never say 'no' to anything; they all always encourage us for our better future and inner development.

I heartily thank you to everyone. I consider myself blessed, privileged, and honoured, all at the same time that I got the opportunity to be a part of this inspirational and great PDEA's Law College, Hadapsar. Thank You.
